Please manage your drive-up time according to your comfort level.

How full will the worship service be?

We do not currently have any seating restrictions in place in our worship centers. Seating is completely open. An usher will be available to help you find a seat if that is helpful to you.

Overflow seating will continue to be provided and will be arranged to maintain social distancing while attendees are hosted by staff and volunteers. The worship services will be streamed on screen for our overflow worshippers.

Will social distancing protocols be followed?

We will observe the following:

- Seating in Community Group rooms will be arranged for social distancing.

- We ask for attendees to wear face masks while on campus. If you don't have a face mask, we will happily provide you with one.

Will I be required to wear a face mask?

We request that all those attending any event or service on our campuses to wear face masks.

What if the rate of occurrence of the virus increases in our area?
